**Oliver & Mr. Whiskers**

I just wanted to let you know that both cats are doing phenomenal! We did end up changing Jazz's name to **Oliver** (after Oliver & Company- a favorite movie of ours about an orphaned orange cat).

Initially, Mambo (aka **Mr. Whiskers**) was not too happy about Oliver being here but that changed very quickly. It's almost like something clicked in his head and he suddenly remembered they were brothers.

These two are now thick as thieves- if they're not curled up together in the reading hammock they are wrestling and playing throughout the house. They even play with Champ now! It's pretty funny to watch a 130 lb mastiff play with two small kittens- what's even funnier is that those cats 100% run Champ. .

They are such a joy to have around- very entertaining to say the least. My phone is already filled up with pictures of these sweet boys. Thanks again. Kaitlyn

**Huey**

**Huey** was a feral kitten who was rehabilitated to be adoptable. He still hides at times, but has come a long way. He now interacts with his new family and is a cuddle bug.

**If you are looking to adopt or know of someone who is, we are putting Cats and Kittens in PetSmart at Central Park Fredericksburg and in PetSmart in Culpeper.**

**We do have many of our Cats and Kittens on Pet Finder and on our Website "Cause4pawslocustgrove.com".**
