

Happy Tails

Jasmine

Hi my name is Jasmine. Today I am a happy cat living in my loving and safe new home. Not so long ago things were not this way, I was homeless and pregnant. I found a porch on which to have my babies and it even came with a nice lady who fed me every day. Before long she noticed my babies were dying one by one. Thankfully she took me and my one remaining kitten to the vet for treatment. The vet saved our lives and called Cause 4 Paws for help in finding permanent homes for us. I was at PetSmart at an adoption event when two sisters saw me. They thought I was beautiful and would make a perfect pet for their other sister who had recently lost her older cat. They immediately called her to come see me and it was love at first sight. That's when my new and wonderful life began.

Sherry & Sylvia are so sweet.

They love to come up on our laps for pets

A Question

When I play with my cat, who knows if I am not a pastime to her more than she is to me?
