

# Happy Tails!

Mabel is doing great! She and my older cat are doing well but she really likes the cat tower and she bonded with the Bunny!

Mabel and the Bunny

Dusty is now Kittles!

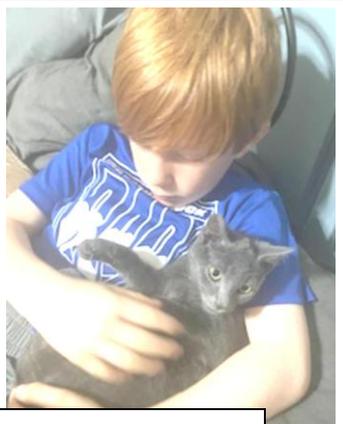

Dusty was renamed "Kittles" by our 7 yr old. We are in LOVE with him. He puts up with so much Loving from our 2 girls! Hollis was awesome with helping us adopt him! He's an angel!

Bentlv and Friend

Bentlv is a very loving and cuddly kitten! I've had zero problems with him and he has already bonded with my girlfriend's cat!

Coen with his boys

Coen is really the sweetest thing. Both boys picked out toys and love to play with him!
