

Happy Tails

"This is **Jana** We are doing well. I am growing fast and learning to love my big brother Buddy. So glad my new parents decided to adopt me!"

Parker

I adopted **Parker** in August of 2023. I was looking for a college companion, but little did I know I'd have a new best friend. Parker was a stray. I can tell by how quickly she warmed up to my home that she was happy to be in a safe place where she now sunbathes, munches on treats, plays with her toys, and cuddles up while I'm reading a book. I couldn't be happier having her as a part of my family and look forward to getting her a sibling soon! - Shannon
